The **Crestwood San Luis Obispo County Psychiatric Health Facility** (PHF) is located in the heart of California's beautiful Central Coast, an area known for its mild Mediterranean weather, along with historic architecture and a charming downtown area.

In partnership with the County of San Luis Obispo Behavioral Health, the Crestwood San Luis Obispo County PHF is an innovative program that is based on Crestwood's commitment to providing a continuum of care for our persons served that puts them on the road to recovery.

We welcome our persons served into a homelike, soothing, and therapeutic environment, where they participate in Dialectical Behavior Therapy (DBT) and Wellness Recovery Action Plan (WRAP), a self-help recovery treatment system designed to decrease symptoms, increase personal responsibility, and improve their quality of life.

County Psychiatric
Health Facility

The Crestwood San Luis Obispo County PHF provides an alternative to traditional psychiatric care through collaboration, empowerment, a healing environment, peer providers, family partners, and a recovery-oriented milieu. Our PHF program provides the structure and support needed to promote stabilization and foster recovery. Our goals are to restore a sense of hope, self-empowerment and realized potential of recovery in each of our persons served and to provide a transition plan to enable a successful return to their community.
